

Important Dates
9/17 – Wear Red Day
9/24 - Picture Day

Bible Verse:
“I am Wonderfully Made!”
Ps. 139:14

September Butterfly Newsletter

Welcome to school!!! Our children are indeed, *Wonderfully Made!!* We will witness many wonderful changes in the children this year. Going to school is a *huge adjustment* for the children, as they become more comfortable with their surroundings, and socializing with friends. Please be patient, tears and sad faces are quite normal these first few weeks of school...with the children too! They have to learn to trust their teachers and know that school is a positive and fun place!

A parent's positive attitude is so important. If your child sees that you are happy and positive about school, they will follow suit! These little ones quickly realize that “Mommy and Daddy always come back!”

We will do our best to keep you informed about their day, so please check their folder after class. The folder should be returned each school day. Notes for us can go in there as well. We will be sending home a newsletter and calendar each month too. We will also be setting up an email distribution list as another way to communicate quickly with us, and as a tool to network with the other parents.

We know that your child is your heart and your life, and we will hold them tightly in our hearts during the school day.

We are looking forward to a great year.

**Your Butterfly Teachers,
Mrs. Treasa & Mrs. Donna**

This Month:
Shape: Circle
Color: Red

**Please check your child's folder after each class, and return on the next school day.
Return all registration forms ASAP!**
